**SPRING BENEFIT**

APRIL 17 2024 | CARNEGIE HALL

## ◆ ● ◆ NOTHING SHORT OF EPIC ◆ ● ◆

THE EVENING BEGINS with our one-night-only performance of **THE GRAPES OF WRATH** at Carnegie Hall. MasterVoices premiered the concert version to great acclaim in 2010 under the baton of Ted Sperling. Now, as we cap off his 10th Anniversary Season, we're revisiting GRAPES with fresh updates and our signature casting of theater and opera stars. We invite you to experience this "people's opera", a testament to the enduring relevance of a classic tale.

THE EVENING CONTINUES with a **Benefit Reception** featuring delicious cocktails, light bites, and the chance to mingle with the stars of the performance, your friends, fellow patrons, and composers Ricky Ian Gordon and Michael Korie.

Attendees of the Benefit will have access to the **best seats** for this glorious performance of Steinbeck's masterpiece. Gather your friends and reserve your spot today!

**7:30 pm *The Grapes of Wrath* Performance**  
**Reception and Champagne toast immediately following the performance**
